The Hon'ble Minister for Industries and Commerce,

Madras.

Hon'ble Sir,

DEPUTY SECRETARY TO GOVERNMENT
4-10-1950
DEVELOPMENT DEPARTMENT

Sub:- Appointment of a licencee to deal in yarn - Kurugode village Bellare district.

Ref:- Our application dated 12-10-50 to the Collector of Bellary.

I the president of the Weavers' Association Kurugode, Bellary district, humbly place before your honour a petition on behalf of the above association to consider the importency and do the immediate need.

2. There are 200 looms in the said village. For the distribution of allotted yarn there are three licencees. Those three licencees are distributing the yarn to their own choice of the weavers with a margin of unimmaginable profit. Those who do not pay their demand they are being denied of yarn. On one or two ocations we made a big representation to the district Collector. At last we the weavers have united and started boycott of purchase of yarn from those heartless dealers. Finally we the weavers of Kurugode collected funds, and started an association under the above title. The Collector has duely recognised the existence of the association and a copy of his letter is also placed before you. We requested the Collector to grant a yarn licence to the president of the above association to enable the equal distribution of yarn to the suffering weavers. We were told by the Collector that he has recommended our application to the Director of Controlled Commodities, Madras to consider favourably as a special case. We met the Director of Controlled Commodities personally and he told us that he could not do any help and suggested to appeal to the Government.

3. We are prepared to distribute the yarn with no

111363 3

B retail margin of profit. If we are granted with a yarn licence I assure you Sir, the black marketiers will certainly disappear. Your honour can imagine why there should be three dealers for 200 looms. We pray your honour to ascertain from the District Collector whether our representation are correct or not. We enclose the mahoger to your honour's scrutiny. We pray our request may have your hearty support.

Yours most and humble,

Butta Narasappa.

2. The petition was recommended to the Government through the Director of Controlled Commodities, Madras in this office C.No. 1048/50 dated 15-10-50. The Director of Controlled Commodities, Madras, in his letter L.Dis. 140284/50 D.5 dated 20-10-50 asked me to ~~th~~ inform the applicant to renew his application when the yarn position improved.

3. I recommend that as a special case the petitioner may be selected as a licensee.

TO A.S.

Please see the petition at pp 1-3 above and the remarks of the Coll'r at p. 19 above and those of the DCC at p. 17 above.

The President of the Weavers' Association, Kumgode has made allegations against the dealers of Kumgode that they are profiteering and not distributing yarn properly to weavers. He has therefore requested that he may be given a licence on behalf of the Association.

A. p 1 above.

B. p 3 above

The Coll'r of Bellary has not offered his remarks on the allegations referred to by the petr., but merely recommends the issue of a licence. The DCC suggests that the Coll'r may be asked to transfer dealers with ref. to Govt Rs 4510 dt 11.11.50.

p 19 above

p 1-2 of (H)

There are three yarn dealers at Kumgode. With the introduction of informal rationing and distribution of identity cards, the maldistribution referred to by the petr. is not likely to exist. The allegation of the President (petr) against the dealers is too vague to be acted upon and the Coll'r has not offered any remarks on the allegations against the dealers. In the circumstances it is for consideration whether any action is called for on the petition. The Coll'r may perhaps be told to see that the dealers distribute yarn properly and take departmental action, if necessary, against the defaulting dealers. For orders.
